PRESS RELEASE

2cash

THE CRYPTO-COMMERCE COMPANY

06 June 2021

The 2cash 2.0 platform delivers the best cryptocurrency and NFT trading platform

2cash has just released a major upgrade to its web wallet with enhanced trading capabilities that includes chart analysis not only for the top trading cryptocurrencies but also new token projects and NFT's.

Currently the 2.0 platform is available in the web wallet with Android and iOS apps being available by next month. Create a 2cash account for free and pay a small fee on transactions, or subscribe to the AC20 for only \$20 USD per month and enjoy unlimited transactions with no fees plus earn rewards when you invite others.

About 2cash

2cash is a FinTech development firm that provides unlimited trading and transactions through the AC20 plus pays rewards to all AC20 members when they invite others. In addition to the AC20 members can also enjoy ProTrade, Crypto-Commerce, BillPay and other features available in the 2cash wallet.

For more information, visit www.2cash.io and create a free account using the promo code of the person who invited you. If you found 2cash online, chat with us online or email us and we will provide you a promo code.
