# MATCHING BONUS

Focus your strategy on developing your team by helping your direct referral affiliate members. Then, you will qualify to earn a percentage of the team bonus income that your personally referred affiliate members earn. Receive a matching bonus through eight levels and never worry about having a matching level break away!

- To qualify for matching bonus, you must directly refer one affiliate member on your left and right teams, plus meet the minimum cycle qualifications per level each month.
- A percentage of the team bonus income your personally referred affiliate member earns will be converted to matching points. At the end of each month, the company will announce the financial amount for each matching point so that the company can be sustainable and contain total referral commissions not paying out more than 65% of the company's total revenue.
